BALLARAT GRAMMAR

BUSINESS NOTICE/FEE SCHEDULE 2026

PAYMENT OF SCHOOL ACCOUNTS

For ease of payment, the Annual Tuition Fee and Boarding Fee is charged in four equal instalments, with the Year 12 Tuition and Boarding Fee being charged in three equal instalments. Each term's fees are payable prior to the beginning of that term. **A student will not be allowed to commence a new term unless the Term's Fees have been paid, or a formal arrangement to pay by regular direct debit instalments has been agreed with the Finance Department, prior to the commencement of that Term.** Please contact the Finance Department should you require further information about setting this up. Ballarat Grammar appreciates the substantial commitment which parents make in committing to pay school fees and is intent on making payment procedures as convenient as possible.

A term's notice in writing must be given to the Principal prior to the removal of a student, otherwise one Term's fees will be charged. Any change from Boarder to Day status or vice-versa requires the prior permission of the Principal following a request giving at least a term's notice. This notice or request can be sent via email to principal@bgs.vic.edu.au.

Cheques to be made payable to Ballarat Grammar. Payment can also be made via MasterCard or Visa, Amex (surcharge of 0.95% applies to Amex only), BPay or direct debit. Our Finance Department is available to discuss any of the above by emailing debtors@bgs.vic.edu.au or by calling (03) 5338 0828.

The amount of the excess and further detail are included in the Personal Netbook Program Contract.

APPLICATION FEES and ADMISSION DEPOSIT

A minimum payment of 50% of the Deposit is payable upon acceptance, with the balance payable within 90 days or by 31 October, whichever is earliest. Where an offer is made after 31 October, the Deposit is payable on acceptance of the offer of place. The Admission Deposit for entry into the Junior School is $4,000 and Middle and Senior School is $6,000. An additional Deposit of $3,000 is payable for Boarding Students. This cover is charged at a flat rate of 2.5% of total fees and is highly recommended.

Please note that a reversal of this charge can only be applied in advance, prior to the commencement of cover. No reversals are able to be applied to terms for which cover was operating. Please ensure that you have notified the School in writing should you no longer wish to have this cover.

ANCILLARY CHARGES

Ancillary purchases and charges such as Uniform Shop purchases, House Dinners, Boarder's Activities and other miscellaneous items may be allocated to the School Account, provided that the account is up to date and payment is made within a month following the charge being reflected on a statement. CENTRE FOR EARLY EDUCATION: FEE SCHEDULE 2026

PAYMENT OF CEEd ACCOUNTS

For ease of payment, fees will be invoiced weekly and are payable by Direct Debit and Credit Card only. Direct Debit and Credit Card authorised payments will be processed weekly. The first invoice will be issued during the week of commencement.

As is standard practice for Early Education programs, fees are payable every day of your child's enrolment, including days on which your child is sick or does not attend for whatever reason. Fees will not be charged on days when the CEEd does not offer a program, including some gazetted public holidays, scheduled exeunt weekends, Orientation Day and Staff Days. In addition, fees are not charged for the four week closure over the Christmas/New Year period.

A 25% discount on the daily fee will be offered for the purpose of holidays up to a maximum of four weeks for Infant and Toddler enrolments. This will require a minimum of four weeks' notice in writing and is only available to children enrolled in the Infant & Toddler programs.

Parents of children enrolled in Reception and Kindergarten programs have the option of selecting a 48 week enrolment, which includes access to programs between 7:30am and 6:00pm each day for 48 weeks of the year, or selecting a Term Time Only enrolment, which includes access to the core program, between 8:40am and 3:15pm during term time only. It is noted that groups may be restricted to one enrolment option.

Enrolment options remain fixed for the duration of the calendar year and casual attendance is not offered in Kindergarten and Reception.

Four weeks' notice in writing must be given to the Director of the CEEd prior to the withdrawal of your child from the CEEd or four weeks' fees will be charged.

APPLICATION FEES

The Application Fee is $150 per child (non-refundable). This fee is to offset the administrative costs associated with enrolments. This fee will apply to each child's initial application for enrolment in the CEEd.

ENROLMENT BOND

The acceptance of an offer of a place in any Reception or Kindergarten program will be dependent on the payment of an enrolment bond. Provided that the child commences at the CEEd, and any outstanding fees have been finalised in accordance with our payment policies, once the required notice has been provided and at the conclusion of the child's enrolment, the bond of $1,000 per child will be refunded.

ENROLMENT

Application for enrolment in CEEd programs does not guarantee a place at the CEEd in subsequent years or at Ballarat Grammar. Places will be allocated according to the government priority of access guidelines. Government regulations require that some priority in the allocation of places be given to children from families where there is disability or disadvantage, or where the parent or parents are working or studying. Details of these requirements can be found at www.education.gov.au

In addition to this, Ballarat Grammar gives some priority in allocation of places to children related to current or former students of the School, to School staff, and some priority to early applications. Children in the CEEd will receive some priority in the allocation of Prep places at Grammar, but the allocation of a place in the CEEd does not guarantee a place in Prep at Ballarat Grammar.

Families are required to select the CEEd as their *One-Funded Place* for Reception and Kindergarten. In the case where the CEEd is not the funded place, the family will be invoiced for an amount equivalent to the funding forgone due to selecting another provider for their child's funded place. This amount will not be eligible for a reduction under CCS.

CHILD CARE SUBSIDY (CCS)

The Child Care Subsidy is a Government initiative that is intended to make child care more affordable. Rate of payment is determined by Centrelink and takes into account the combined family income, activity level of the parents and the type of Child Care Service being accessed. Further information on the CCS is available by following the link provided. LINK.

ABSENCES PRIOR TO THE CHILD'S FIRST DAY OF ATTENDANCE OR AFTER THEIR LAST DAY OF ATTENDANCE

It is a government requirement that the Centre reports any absences prior to a child's first day of physical attendance at the Centre and any absences after their last day of physical attendance at the Centre as a "Cessation of Care" absence. This type of absence is not eligible for CCS and therefore, full fees will be payable to the Centre for these absences.

LATE AND DISHONOURED PAYMENTS

A late payment fee of 1.5% per month will be charged on overdue accounts. There will be a standard bank charge if a Direct Debit or Credit Card payment is dishonoured. A child's place may be forfeited if the account goes into arrears. The CEEd reserves the right to enter legal proceedings and issue caveats over property held by those legally responsible for payment, where it is deemed to be necessary by the Finance Committee. DIRECT DEBIT FEE PAYMENT OPTION

As per the Business Notice for 2026, Fees are payable by the first day of each Term. Alternatively, arrangements where fees are payable by regular direct debit instalments are available. This allows families to spread the cost of fees out over the year and may make payment of fees more manageable. The following table provides the minimum monthly and fortnightly payment amounts for each year level.

Please note that these figures are calculated for Tuition and Boarding Fees only. Items such as the Netbook Levy, Fees Trust, Non Compulsory Building Fund, Sibling Rebates, Scholarships and Bursaries, Music Lessons and all other miscellaneous items are excluded from the below figures.

For a more accurate estimation of your fees for 2026, or to request a Direct Debit Authorisation form, please contact the Finance Department on (03) 5338 0828 or debtors@bgs.vic.edu.au.

Should there be a shortfall in direct debit payments or should a payment be dishonoured, it is the responsibility of the account holder to ensure that the account is entirely cleared by the end of the relevant school year.

Direct Debits are available at monthly, fortnightly or weekly intervals on any weekday or date and will be deducted the following business day where the payment date falls on a public holiday or weekend.

* Please note that Year 12 Tuition and Boarding Fees are allocated in three equal instalments, at the beginning of Terms 1, 2 and 3 and monthly and fortnightly payments are adjusted accordingly.

BALLARAT GRAMMAR

27 November 2025

Dear Parents and Guardians,

Travel Conveyance Allowance

I am writing to advise you of the arrangements for the Travel Conveyance Allowance for 2026.

The Travel Conveyance Allowance is available to Victorian families who live more than 4.8 km from Ballarat Grammar and assists with the costs of transporting students to school. Claims can be made for various forms of transport including public transport (bus and train), private bus and private car.

To be eligible to claim the allowance the student **must:**

- be enrolled at a primary or secondary school and be aged between 5 and 18 years;
- live more than 4.8 km by the shortest practicable route between the student's place of residence and the school (this can be checked by using Bing Maps);
- use the most economical mode of transport between home and school;
- be a day student (boarding students are not eligible to claim conveyance as the school address was considered to be the primary address for boarding students during the school year). **Students who have previously been a day student receiving conveyance who are changing to boarding must notify the school immediately as they are no longer eligible.**

A private car or private bus cannot be claimed if the journey could have been made using a Department-funded school bus (free bus service) or public transport service. A student is **ineligible** for a Conveyance Allowance if there is a nearer denominational school (or multi/inter-denominational school) than the school attended. **All claims for private bus travel must provide proof of purchase. If no proof of purchase is provided, the claims will not be processed.**

As of 1st January 2026, public transport is free for students aged under 18 and is therefore not claimable. **Claims for public transport travel for students aged 18 and over must provide proof of purchase. If no proof of purchase is provided, the claims will not be processed.**

Parents/Guardians are responsible for notifying Ballarat Grammar in writing within seven days of **any** changed circumstances noted on the Application for Conveyance form. It is the responsibility of the Parent/Guardian to verify the information provided on the form if asked by the School or the DEECD.

Previous applications will roll over; however, if there have been **changes from the previous year a new form must be completed**. All new families wishing to make a claim for the 2026 school year must complete **one form** per child. **These forms are to be completed on-line and are available via the link below.**
https://conveyance.bgs.vic.edu.au/

All applications for Term 1 must be received by **Friday 27th February 2026**.

Please contact Jeffrey Wood in our Finance department on (03) 5338 0828 or email travelconveyance@bgs.vic.edu.au should you require any further information.

I hope the benefits provided by the Travel Conveyance Allowance helps you in meeting the costs of the new school year.

Yours sincerely,

Peter O'Dwyer

FEES IN ADVANCE POLICY for 2026

Frequently Asked Questions & Case Studies

Below is an extract of the Business Notice, which outlines the Fees in Advance Policy. Following the excerpt there are some FAQs and some Case Studies to show how the School calculates the discount.

Fees Paid in Advance (FIA)

A discount against the Fees is given for amounts paid in advance as at the first day of each term. Fees in Advance may be accrued prior to enrolment but is only payable once a student has commenced at the School. The 2026 discount rates are as follows:

Nil	***less than $1,000***
4.50% p.a.	*on amounts in excess of $1,000*

These rates are subject to change with one term's notice

The discount for FIA is calculated **following** the charging of the relevant term's fees.

Discount will be paid on any amount in credit/advance that is in excess of $1,000. No discount will be applied on the first $1,000.

The **ANNUAL** base rate is 4.50% for sums above $1,000.

The discount is calculated each Term, with daily pro rata payments based on 364 days and the number of days in the term. For 2026, the number of days per term for the pro-rata calculations are as follows:

	First Day Term	First Day Next Term	Discount Payable on Days
Term 1	30-Jan-26	21-Apr-26	81
Term 2	21-Apr-26	15-Jul-26	85
Term 3	15-Jul-26	5-Oct-26	82
Term 4	5-Oct-26	29-Jan-27	116

FAQs

1. ***Does this mean that if I pay my term's fees on or before the first day of the term, that I will be eligible for discount for these fees?***
   There has been some minor confusion about this, especially from parents transferring from other Schools who offer incentives to get parents to pay their fees when they are due.

   To be eligible for the discount, there must be more than $1,000 in the account **after** the term's fees have been deducted.

2. ***How much do I have to pay? The School previously calculated this for me.***
   The amount you pay can be any amount provided you are in credit by more than $1,000 after each term's fees have been charged.

   Therefore, parents who were previously paying one year's fees in advance, can continue to do so by multiplying the terms' fees by four (4). Each term the School will calculate how much the account is in credit by more than $1,000 and credit your account with the discount. (See Case Studies for examples.)

   However, the amount you can pay is not restricted to the old one-year's fees in advance – it is ANY AMOUNT in excess of $1,000. (We have had enquiries from grandparents asking about paying $100,000 towards grandchildren's fees.) However, the School reserves the right to restrict sums to an amount equal to the gross amount of fees payable for the life of the student at the School.

3. ***If we leave the School do we get the money back?***
   Yes. As was the case with the previous policy, fees paid in advance are refundable, less any pro-rata adjustment for the discount that has been credited.

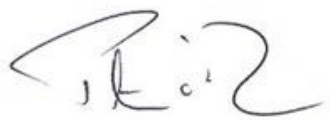

4. ***When do I receive the discount amount and how is it paid?***
   The discount is calculated in the first week of each term. The amount of discount for that term is credited to your account at the beginning of the term (i.e. in advance – not at the end of the term).

5. ***Given that we may be paying several years in advance, how is our money secured?***
   A parent who has paid fees in advance would rank as an unsecured creditor. The amount of money paid in advance is separately identified in the Annual Accounts as a Current Liability and is fully audited each year by the School's external auditor.

6. ***Do I pay tax on the credit accrued under this scheme?***
   Parents are advised to seek their own taxation advice. Since this discount is a reduction of fees, and not paid to parents, it would not normally be subject to personal taxation.

I hope the above FAQs and attached Case Studies help parents to develop an understanding of this offer. Should you still have any questions in regards to the operations of this policy, please don't hesitate to contact the Finance Department on (03) 5338 0828 or debtors@bgs.vic.edu.au.

Sincerely

Peter O'Dwyer
